

Standish Hospital in pictures

Eugenie Phipps walked to the Hospital every day from Dell Farm in Painswick, to Edge, through Whiteshill and along the fields. She picked up ten other V.A.D. nurses on the way. She also brought her camera and took these lovely photos which give us an insight into her time there. Martin Slinger has kindly allowed us to use his grandmother's photos.

V.A.D. Red Cross Hospital, Standish.
